

To maintain tuition status as a parish member, registered St. Mary’s families with children attending St. Mary’s Parish School and/or Peoria Notre Dame High School are not only expected to pay tuition, but also to assist the parish with their time, talents and financial support and to support the faith life of their children by worshiping with them on Sunday, keeping in mind the Mass is the “prayer of Jesus,” and it is by His command that we gather in worship.

As parish members it is important to worship regularly at St. Mary’s so our children develop a sense of belonging to a parish family. There are times when families worship at other parishes for a variety of reasons, but, for the most part, St. Mary’s should be our regular place of worship.

The pastor is always available to discuss other financial arrangements with parishioners unable to meet this norm, and we will always strive to ensure that no child of St. Mary’s Parish will be turned away because of financial hardship.

*Please note that Pre-Kindergarten runs 5 days/week (8-3:15). No other school in the region offers such a comprehensive and affordable program. It is provided as a benefit to our families. However, in order to keep St. Mary’s Catholic Education affordable, a **\$500.00 dollar Pre K discount** is given for Parish families with children in **St. Mary’s Kindergarten to 8th grade**. Core material is presented in the morning followed by enrichment material in the afternoon. The cost for morning participation only is 2/3 of the regular rate.
