CURRICULUM EXTENSION

This is a new program being instituted in the Jr. High this year at St. Mary's. This will provide an opportunity for the students to further develop skills covered in the regular curriculum. Students will meet with each classroom teacher for one extra class period per week. Writing skills, math problem solving, and The 7 habits of highly effective teens will be the the main focus of the extra class sessions.

Monday	Wednesday	Thursday
6 - Problem Solving	6 - Writing Skills	6 - 7 Habits of Teens
7 - 7 Habits of Teens	7 - Problem Solving	7 - Writing Skills
8 - Writing Skills	8 - 7 Habits of Teens	8 - Problem Solving
